

Application for Release Letter for Overseas Student

This form applies to overseas students on student visa who wish to study at another institution within the first 6 months of their principal course.

The Overseas Student Transfers Policy applies. Applicants are also advised that the Deakin College *Refund Policy* will apply (all policies are available at <https://www.deakincollege.edu.au/policies-procedures>).

The Deakin College Diploma course is the principal course unless it is packaged with a Deakin University Bachelor course. Students on a Deakin College and Deakin University package must also apply to Deakin University (the primary provider) for a release letter: <http://www.deakin.edu.au/students/studying/international-students/compliance-and-visas/release-and-refund>.

Applications for a release letter must include the following documentation:

- A valid letter of offer from another CRICOS registered provider;
- Statement of reasons and supporting documentation demonstrating extreme exceptional personal circumstances.
- Under 18 year old students must submit written evidence that his/her parents or legal guardian support the transfer AND written confirmation that the new institution will accept responsibility for approving a student's accommodation, support and general welfare arrangements.
- If government sponsor of sponsored student considers the change to be in the student's best interests, the written support for the change must be provided.

Deakin College aims to notify you of the outcome of this application within 10 working days from the date the *complete* application was submitted. *'Complete' means that all documents must be included.*
