

Policy Title

Delegations of Authority Policy and Register - Academic Programs, Services and Students

Preamble

The Delegations of Authority Policy and Register – Academic Programs, Services and Students was approved by the Deakin College Senior Management Group on 23 March, 2018.

This Policy is consistent with quality management and good corporate governance and is consistent with the Higher Education Standards Framework (Threshold Standards) 2021, Domain 6: Governance and Accountability.

Purpose

The purpose of this policy and register is to ensure that staff have the appropriate authority to exercise powers and carry out functions, that their actions are within their remit and that they have followed all relevant policies and procedures.

Scope

This policy applies to all staff at all campuses of Deakin College.

These Delegations flow directly from the Navitas Group Delegations of Authority Policy. Where there is any conflict, the Navitas Group policy will prevail. These Delegations do not replace other Group policies or procedures to be followed for particular types of activities and should be read together with other Group policies and procedures.

College level procedures to be followed by Delegates in the exercise of their delegated authority do not appear in this Register but are separately contained in Deakin College's policies.

Policy

- 1.** The following principles apply to a Delegate's level and scope of authority under any delegation of authority:
 - 1.1.** A delegation under this Register relates to the Delegate's office or position, not to the individual in that position. Similarly, where a delegation is to a body by reference to the body's title, it relates to the body acting as a body, not to individual members of the body.
 - 1.2.** A reference to a delegation to a position or to a body is, if the position or body is abolished, restructured or re-named, to be taken to be a reference to the principal successor to the functions of that position or body.
 - 1.3.** A person duly appointed as a temporary or acting occupant of a position has the authority delegated to the position in which he or she is acting.
 - 1.4.** A Delegate may sign any document which is necessary to give effect to his or her function or authority.
 - 1.5.** In some instances a delegation of authority may be given to several officers.
 - 1.6.** A Delegate's Supervisor may exercise the delegated authority given to the Delegate even if not mentioned by title in the 'Delegate' column. This principle, however, does not:

- apply if a subordinate Delegate has already, in a particular case, exercised the delegation;
 - enable an individual officer or another body to exercise a delegation conferred on a body or committee; or
 - permit a supervising Delegate to exceed his or her own financial delegation or act outside his or her accountability.
- 1.7.** If a Delegate appoints or instructs another officer or body to give advice or make recommendations about the exercise of delegated authority, the Delegate nevertheless remains responsible and accountable for the decision or action.
- 1.8.** Unless the context requires otherwise, a delegation ordinarily relates only to authorities or functions within the Delegate's accountable area.
- 1.9.** Nothing in this Register authorises a Delegate to do anything which is, or is likely to be, a breach of an approved policy, procedure or code of conduct of the College.
- 1.10.** A delegation cannot be exercised where the Officer holding the delegation would be put in a position of conflict of interest. In such circumstances the conflicted Delegate must declare his or her conflict of interest, must refer the decision to his or her Supervisor and must not exercise the delegated authority without the counter signature of his or her Supervisor.

2. Nomination Procedure

- 2.1.** The Register contains instances where the College Director and Principal or a Delegate may nominate other Officers who will then have delegated authority for the purposes described in the Register. A letter of nomination should clearly state the identity and authority of both the nominating officer and the nominee and specify the actual delegation.

3. Responsibility for the Delegations Register

- 3.1.** The Director, Quality and Student Services is responsible for:
- ensuring that the Delegations Register is maintained and up to date at all times based on advice and evidence of authorised delegations received from the College Director and Principal and/or Academic Board of Studies;
 - ensuring that the Register is available on the Deakin College intranet; and
 - submitting the Register to the Academic Board of Studies for review and ratification at least once every year.
- 3.2.** Amendments to the Register may only be made by the Director Quality and Student Services on the recommendations of:
- the Deakin College Director and Principal;
 - the Deakin College Senior Management Group; or
 - the Deakin College Academic Board of Studies.
