2.1. Adding or changing units(s)

- A student may make changes to their unit selection through the Student Portal during the first two weeks of the trimester.
- A student may make changes to their unit selection by completing and submitting the *Enrolment Variation Form* from Week 3 to end of Week 10.
- All changes to unit enrolment requests will be actioned by Academic Services and given a final endorsement by the Academic Manager. The student will be advised by email through the Student Portal.
- All changes to unit enrolments will be recorded on the student management system and student's record.

2.2. Unit Withdrawal

- A student may withdraw from a unit(s) through the Student Portal during the first two weeks of the trimester.
- A student may withdraw from a unit(s) by completing the *Enrolment Variation Form* from Week 3 to Week 10 of the trimester.
- For overseas students on a student visa, unit withdrawal that changes study load to be less than 75% will be required to attend an interview with Student Services staff or their Academic Coordinator. The under 75% study load will be assessed and approved by the Academic Coordinator, and the student will be advised by email from Academic Services through student management system. The reason for permitting reduced study load must be recorded by Student and Academic Services on the student's record.
- A student must consider the fee due to unit withdrawal (Refer to *Refund Policy – Fee Refund Schedule*).
- A student will be advised in writing if Deakin College withdraws a student from a unit(s) on the following administrative grounds:
 - A unit is no longer offered and an appropriate alternative unit(s) may be made available;
 - Granting of Credit for Prior Learning for the unit(s);
 - The student is subject to an enrolment condition as determined by the Board of Examiners or Deakin College Appeals Committee; or
 - The student has been found guilty of misconduct and withdrawal from a unit has been determined as part of the penalty.

2.3. Leave of absence

- A student applying for leave of absence must complete and submit the *Leave of Absence Application Form* and supporting documentation. An interview with a Student Services Advisor may also be required.
- Overseas students under the age of 18 years must provide a letter from their parent or legal guardian supporting the application for leave of absence.
- If overseas students under the age of 18 years change to other suitable welfare arrangements that satisfy with the Migration Regulations 1994, the student needs to provide evidence of the new arrangements.
- Sponsored students are required to provide written endorsement from their Sponsor before a leave of absence application can be considered. The Student Services Advisor may recommend to the Academic Manager a leave of absence be granted if a student provides evidence of compassionate or compelling circumstances that has impacted the student's course progress.
- A leave of absence will only be granted one trimester at a time, with a maximum of two trimesters. Any additional leave of absence requests will be assessed by the Director Quality and Student Services and are not guaranteed.

- The Academic Manager assesses the Leave of Absence Application and the supporting documentation to determine the outcome.
- Commencing students who fail to enrol or continuing students who fail to re-enrol by the last day of enrolment or re-enrolment in any study period are considered to have withdrawn from their course and cannot apply for a Leave of Absence.
- Students who have been granted a leave of absence must re-enrol by the last day of enrolment for the subsequent trimester to retain their place at Deakin College.
- Students applying for Leave of Absence at the start of a trimester will be withdrawn if they have not paid fees nor enrolled and their application has not been processed before the end of the enrolment period.
- Deakin College applies re-entry to study conditions following a leave of absence, for example, intervention strategies where a student has not achieved satisfactory course progress in a previous trimester.
- For overseas students, the official Confirmation of Enrolment (COE) statement will be amended to reflect the leave of absence and a copy of the COE will be sent to the student via the student's personal email and student email by the Quality and Compliance team.
- Overseas students who are granted leave of absence are advised to seek advice from the Department of Home Affairs on how the potential change to their enrolment status may impact upon their visa.
- Domestic students who are ineligible for FEE-HELP as a consequence of their academic results will be captured in the dataset of ineligible students and will be counselled to the effect that their FEE-HELP status remains unchanged with enrolment in a subsequent trimester.

- 4.11. Academic Services will advise Student Services at Deakin University of discontinued courses (due to Change of Course).
- 4.12. If a student has applied for Leave of Absence and Change of Course at the same time, Change of Course must be processed first. If a student is an international sponsored student, the Financial Guarantee must be approved before the Change of Course can be processed.

- 5.6. Quality and Compliance will email the student with new COE's via the student management system.
- 5.7. It is possible for a student to submit a Dual Enrolment with a Change of Course application. (The student will be enrolled in their diploma unit by Academic Services unit after the Change of Course has been finalised and updated on the student management system).

- 6.6. FEE-HELP students will receive the Commonwealth Assistance Notice (CAN) by email within 28 days from Census Date. CANs provide students with information on the unit(s) for which they have FEE-HELP assistance, their FEE-HELP debt and Commonwealth Higher Education Student Support Number (CHESSN) or Unique Student Identifier (USI). Students may access information on their FEE-HELP balance from the myHELPhelp website.
- 6.7. If a student believes the CAN to be incorrect, they must contact Deakin College in writing within 14 days.

7. FEE-HELP debt re-credited after the Census Date

- 7.1. Applications must be made within 12 months of either the date of withdrawal from the unit, or where the unit was failed but not withdrawn, within 12 months of the last day of the trimester in which the student was enrolled in the unit.

- 7.3. Deakin College must be satisfied that these special circumstances criteria have been met:
 - were beyond the student's control, and
 - do not make their full impact on the student until on, or after, the Census Date, and

 - employment related circumstances. For example, where your employment status or arrangements have changed so that you are unable to continue your studies, and this is beyond your control, or
 - course related circumstances. For example, where Deakin College has changed the unit it had offered and you are disadvantaged by either not being able to complete the unit, or not being given credit towards other units or courses.

Lack of knowledge or understanding of the requirements under the schemes; or student's incapacity to repay a HELP debt, are not considered special circumstances.

- 7.4.** The student's application must include independent supporting documentation from, for example, the doctor or counsellor, to support the claims. The special circumstances must occur:
- Before the Census Date, but worsen after that day; or
 - Before the Census Date, but the full effect or magnitude does not become apparent until after that day; or
 - On or after the Census Date.
- 7.5.** A refund of a debt in whole or part will result in the recording of 'cancelled' against a student's unit enrolment in the student management system, and this will be reported to the Department of Education and the Australian Taxation Office (ATO).
- 7.6.** Deakin College will respond to the student within 28 days from the date the online application for has been submitted.
