

How to Connect to Wi-Fi at Deakin University

- To connect your device scan the QR code below and visit the Deakin University Help Site.
- Our wireless network is called eduroam.
- The Help Site allows you to watch a short video with easy instructions on how to access the Deakin wi-fi for the following devices.
 - Apple Mac
 - iPad and iPhone
 - Android Devices
 - Windows 8 PC
 - Windows 8 RT PC
 - Windows 7 PC
 - Windows Phone
 - Other devices
- You can also connect at other institutions! The Help Site has a video on that too!
- Once you are set up, you will be able to connect to eduroam in thousands of institutions around the world, as well as nominated Deakin University partner sites.

Scan this QR using the QR scanner on your phone

Free QR scanner apps are available at the app store you use for your device, or you can go to the site directly:

deakin.edu.au/about-deakin/administrative-divisions/esolutions/it-help/internet-and-network-services or deakin.edu.au and search “wi-fi”.
