

Transfer Guidelines to Deakin University for Australian/Permanent Resident Students/Humanitarian Visa Holder/New Zealand Citizens

Students who successfully complete their Deakin College Diploma in 2018 by meeting the transfer criteria below, will be eligible to apply for a Commonwealth Supported Place (CSP) in second year of the relevant Deakin University undergraduate degree in March 2019.

Transfer criteria

- You must complete and pass eight Deakin College diploma units
- You must achieve the required Weighted Average Mark (WAM) for your Deakin College diploma taking into account all units attempted at Deakin College (required WAM's are included under each Deakin degree).

Note: Transfer to some degrees requires specific Deakin College units to be completed in order to receive the appropriate credits. For full details and conditions, please visit the Deakin College website and click on the relevant diploma: deakincollege.edu.au.

Deakin College students who complete their Deakin College course within the normal timeframe for completion (based on full time enrolment) are considered for entry to Deakin University courses on the basis of the conditions which applied at the time they commenced the Deakin College course.

Deakin College students who complete their Deakin College course in a timeframe beyond the normal completion period (based on full time enrolment) are considered for entry to Deakin University courses on the basis of the conditions that are in place at the time they apply for entry to Deakin University.
